

Why Do Communities Need Love INC?

- Existing resources operating independently are not adequate to meet current and growing levels of need.
- One church alone cannot deal with all of the complex issues of poverty. It takes churches working together, across denominational lines, to meet these multi-faceted needs.
- Love INC shows the love of Jesus Christ and brings hope to the poor and needy of our communities.

What is the problem?

People in the community have needs:

- Physical
- Emotional
- Mental
- Spiritual

Christian churches have resources:

- Material Resources
- Volunteers
- Services
- Spiritual Resources

What is the solution?

Love INC

is the bridge between people in need and the Church.

What is Love INC?

- Love in the Name of Christ (Love INC) is a strategy to help Christian churches help their neighbors in need.
- Love INC is a network of churches that links church ministries and volunteers to people in need.
- Love INC is a cooperative effort between churches and community agencies to provide effective help for the disadvantaged.
- Love INC is a vehicle that helps churches, collectively and individually, fulfill their biblical mandate to reach out to the poor and needy.

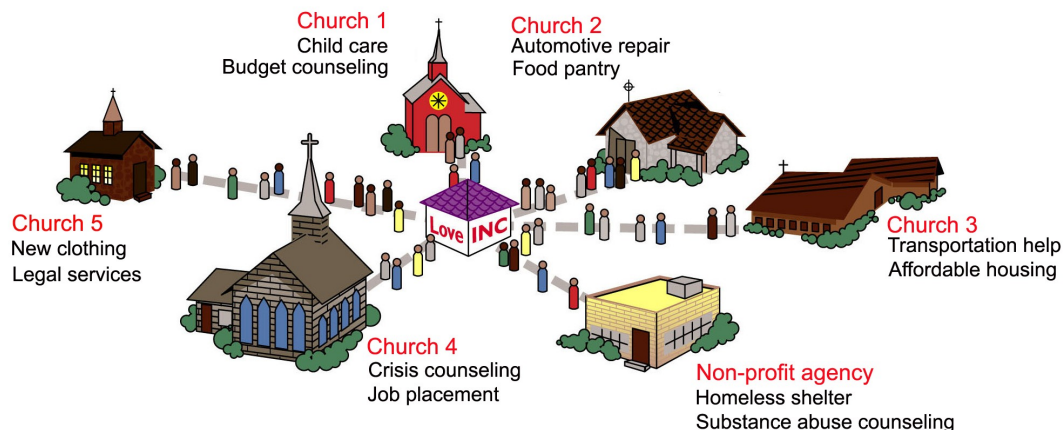

Why Does Love INC Work?

- There are unlimited resources in the Body of Christ that Love INC mobilizes on behalf of those in need.
- Love INC gives Christians specific manageable opportunities to put their faith and love to work in the service of people in need.
- Because Scripture tells us love never fails (1 Corinthians 13:8).

When resources are not connected, many needs go unmet.

Love INC brings resources together so more needs can be met.
