

LINC Community Thrift Shop Wish List - February 2012

- Volunteers to help with Community Sales in the coming months.
- Volunteers to work in the store after it opens.

- Prayers for a successful LINC Thrift Shop ministry that will meet many client needs that are not currently being met.
- Location to park a donated 40' semi-trailer for storage between monthly sales.
- Retail cash register/computer system and software.
- Donations of high quality clothing and household goods.
- Donation of construction materials and labor to build a storage shed.
- Construction contractor to help with the build-out at free or reduced rate.
- Utility Trailer - Preferably enclosed with lock.
- Provide free or reduced-rent retail space in Littleton - temporary (1 weekend per month before store opens) and permanent space is needed.
- Clothing Racks and shelving to display items we sell.
- Shelving units or materials when we're ready to "build-out" the retail space.
